OBJECTIVE

Searching for a position in a multinational corporation that values continuous learning and skill enhancement. Aspire to upgrade my skills over time and play a pivotal role in taking the company to new heights.

EDUCATION

B.Tech in Computer Science, Lakireddy Bali Reddy College of Engineering, Mylavaram	Expected 2026
CGPA: 8.95/10.0	AP, India
Intermediate (MPC), Nagarjuna Junior College, Tiruvuru	2020-2022
Percentage: 95.1	AP, India

INTERNSHIPS

MERN Stack Technologies, Biztron Softech   (Jun 2024 - Jul 2024)
Gained hands-on experience in full-stack development, focusing on building dynamic web applications and integrating front-end and back-end technologies while adhering to software development best practices.

AI & ML Virtual Internship, Edunet Foundation   (Jul 2024 - Sep 2024)
Worked on predictive modeling and data analysis for AI and ML projects.

PROJECTS

Employee Job Seeking Application: Link   *[Jun 2024 - Nov 2024]*
- Developed a **job-seeking platform** to connect **recruiters** with **job seekers**
- Features include **separate user authentication** for employers and job seekers **job postings resume upload** and **application management**
- **Employers** can **post jobs** update listings **remove jobs** and **manage applications**
- **Job seekers** can **browse job listings apply for jobs** and **upload resumes**
- Tech Stack **React.js Node.js Express.js MongoDB**

Social Media Platform Development: Link   *[June 2024 - Nov 2024]*
- Built a full-stack social media platform using **MERN stack**.
- Features: User authentication (**JWT**), profile creation, posts, following system.
- Implemented interactive features: **Likes, Comments, Notifications**.
- Tech Stack: **React.js, Express.js, Tailwind CSS, Node.js, MongoDB, GitHub Actions**.

Online Dance Academy Management System: Link   *[Jul 2023 - Dec 2023]*
- Developed a web application for managing an online dance academy.
- Features: **User registration, login, class schedules, trainer profiles, academy details**.
- Admin panel for managing users and schedules efficiently.
- Tech Stack: **HTML, CSS, Apache Tomcat, MySQL**.

CERTIFICATIONS

AWS Certified Cloud Practitioner: Globally recognized certification demonstrating expertise in foundational AWS Cloud concepts. Link

SmartInterviews: Completed Smart Coder course with proven problem-solving and coding skills. Link

Infosys: TechA Responsive Web Designing (HTML, CSS, JavaScript) Foundation Certification, TechA MERN Stack Developer Certification.

Cisco: Programming Essentials in Python (PCAP), Cybersecurity Essentials, Introduction to Packet Tracer.

IBM: Introduction to Generative AI, Web Accessibility, Software Engineering Basics, Data Science, Cloud Computing.

SKILLS

Programming Languages:	Java, JavaScript, C, Python (Basic)
Web Development:	HTML, CSS, React.js,Node.js, Express.js,MongoDB, MySQL, PHP
Developer Tools:	GitHub, VS Code
Technical Skills:	Data Structures and Algorithms (DSA), Problem-Solving
Soft Skills:	Communication, Teamwork, Creativity, Adaptability

ACHIEVEMENTS

- Solved **250+** problems across various coding platforms, enhancing **DSA** and problem-solving skills.Link
- **CodeChef**: Rated **1250+**
- **LeetCode**: Rated **1430+**
- **Codeforces**: Rated **850+**
- Participated in our college's national technical fest **Lakshya 2K25** and competed in the event **KGF - King of Genius Coders in the Fest**, where I won the competition, receiving a cash prize and a certificate.
- Achieved 2nd place and won a cash prize in a 1-week workshop followed by a 1-day **hackathon on Data Science using Python** conducted in our college.
- Qualified for the mains round in the **Technizen** competition conducted at **RVRJC College.**
- Secured 2nd place and won a cash prize in an **elocution competition**.
